As for activities, the Deca groups sponsored this years Tolo and supplied music by the Band "Reign." Their biggest all school fund raiser was the selling of gift calendars in which over \$600. was collected.

Below we have the Intro Deca group. Their activities included the selling of Columbia River key chains, as well as numerous luncheons with guest speakers. Foreign Exchange Students

Jaqueline Casanova, Mexico

"My name is Jaqueline Casanova and I am from Mexico. I came to the United States with the Ibero-American Cultural Exchange Program.

My experiences in the United States have been wonderful. Besides meeting a lot of different people, I have tried different foods and activities.

I like Washington but I think it rains a little too much. Columbia River is a nice High School and it offers a lot of different classes.

My stay in the United States will end in June but I hope to some day be able to return."

"Hi! I am a girl from Finland who came here with a private exchange program — The Order of Rumeberg.

A hot summer day six months ago the plane landed in Seattle. A nervous but excited girl stepped out of the plane to face a new country with a lot of new experiences. Since then time has just flown by.

The U.S. differs, of course, in many areas from Scandinavia and Europe. It is among other things that the people, the environment, and school. But I really like it.

Schools are not as big as they are here. Instead of six subjects we have thirteen divided upon a week.

Among some of my interests are sports, jazz-ballet, and playing the piano. I am very happy that I have been able to keep them up.

The first six months have been a lot of fun and a great beginning for my year in the U.S."

Maria Aminne

Maria Aminne, Finland

Foreign Exchange Students

Claudia Garcete, Buenos Aires, Argentina

"The American Field Service (AFS) experience is as yet, only half over, but the past six months are certainly worth writing on.

Columbia High, like my family, make life active and enjoyable. Number one on the "top days" list is the first day at school. It was very overwhelming: not only the thrill of new ways and places, but the great number of exciting people. Personally I feel honored to be treated so well by so many people.

Three full months went by when I didn't feel depressed at all. (Homesickness is a "foreign" feeling to me.) This is largely indicative of how life has been.

Members of the teaching staff have been thoughtful but especially I am indebted to my host mom and dad, my brothers Doug, and Dave, and to my little sister, Jody.

Perhaps in reading this, the impression may be given that the U.S. is the best place to be. Countries are best compared to old girlfriends: It is unfair to give one a rating above the other, as totally different qualities are involved in each case. Perhaps the best thing I can say is Thanks, I Love You, America!"

"My name is Claudia Garcete, and I am 17 years old. I am a foreign exchange student from Buenos Aires, Argentina.

I am attending Columbia River as a senior and I shall stay in the United States until late June.

I live with my host family in a Condominium on the shores of Vancouver Lake. They are a great help with my English which I have studied for six years and hope to continue studying.

I traveled to the U.S. because I wanted to improve my knowledge of English. I like to visit different places and hope to continue to visit other countries.

I think this is a great opportunity to gain knowledge and to learn everything about the United States. I am enjoying being here and I like Washington very much."

James Kelly, Rockhampton, Queensland Australia

Foreign Exchange Students

Luis Rodriguez Ledl, Guadalajara, Mexico

"I'm Luis Enrique Rodriguez Ledo, I'm 16 years old, and I'm from Guadalajara, Mexico, the second biggest city in Mexico. I have been in the United States for two months and I'll stay here for eight months. I arrived here on November 11, 1980 at the Portland Airport.

I think a lot of different things about the United States. First of all I think there are more friendly people in Mexico. I'm not saying that I don't like it here because I do, I just think that the people here could be more friendly.

I think that Columbia River is a very good school with a very good organized staff. There is also good teaching equipment which we don't have in Mexico.

I like this city very much because there are many things to do, only it's very cold here because I come from a place that is always sunny. I really like it here in America."

Marco Botello, Brazil

"I am Marco Botello from Brazil. I have been here for two months and I am really enjoying myself.

My hobby here is to play tennis after school. On weekends I do many different things that are strange and exciting. I think the thing that was the most fun to learn was skiing. I had a really fun time doing that.

I came here through the Rotory. I like my host family and we get along very well. In my program it is required to change families every three months. The object of this change is so that I can get to know different customs of the American families.

I am really glad I came to Vancouver I like it here. I think the people are really nice and friendly. I hope that some day you will get to come to my country and see how I live."

FBLA

FBLA had a good turn out this year with 23 members. President of FBLA was Jennifer Walling, Vice President Pam Tomlinson, Sec. Karyn Coons, Treasurer Kani Hazier. They had a fall leadership workshop. They had a jewelry sale and candy sale to raise money. They worked at girls' basketball games taking tickets. They went to the state Leadership conference in Seattle, Washington.

French Club

This Year's French Club was a very active one with something going on almost every month. They began the year with an after-school picnic on September 16. On October 22-24 they sold Spook-O Grams that were delivered on Halloween day. On October 28 they attended a Language Club Halloween Party. December 2 was the night for their progressive dinner which involved walking from course to course and from house to house. January 27 held an ice skating party and spirit rocks were sold. On February 24 came the annual French Parents night with the theme: Parisian City which proved to be a big success. In March they held a green M & M guessing contest and the winner received the entire jar. April or May brings the chance for the annual trek to a French restaurant for dinner.

Besides all the fun times the club created for themselves, they also helped the school raise money by taking the tickets for the football and basketball games.

Officers for this year's French Club were as follows: President: Lauri Lake, Vice President: Jill Wiseman, Secretary: Heidi Young, Treasurer: Karen Nelson, and Public Relations: Delona Lang.

German Club

The German club participated in many fun activities this year.

In September, several members got together to make pretzels for the first meeting. They also held a picnic at Hazel Dell Park on September 29.

In October, the club made homemade apple cider for the Language Club's Halloween Party. Cider was also sold in the main hall.

February brought a German dinner at the Edelweiss Inn Restaurant.

March held a Mardi Gras celebration in which the Spanish and French Clubs also participated.

Social Studies Club

The Social Studies Club organized another successful Model United Nations this year. Its members took most of the trophies which lead to a landslide win of the best over-all trophy which Columbia River has now won for the third year in a row and will get to keep at the school. The club paid for all the trophies by taking tickets at volleyball games and wrestling matches.

The club was also active during the elections. Members campaigned and did voluntary work for their candidate. In provided some very heated discussions at the monthly meetings.

With the left over money the club treated itself to a dinner.

National Honor Society

The NHS was a very busy organization this year compared to the past years.

There was still the standard 3.5 accumulative grade point average to be associated with the club.

This year's change came with the officers ambition to do something with the club. For Valentines Day they made heart shaped cookies and made cards that they delivered to the Hazel Dell Care Center. They also arrived with flowers to brighten the old peoples day. At Easter they again made cookies as well as other treats and this time they ventured to the Deaf School. They also held an Easter egg hunt for those who wanted to participate.

Horticulture

This year the 1980-81 Horticulture $\frac{3}{4}$ did a numerous amount of different activities. One of the major projects was the remodeling of the Hydro-ponic greenhouse. Columbia River is the only high school in the area that has successfully completed a greenhouse of this type.

Plant sales were held throughout the year and they proved to be very successful. Among the types of plants sold were: houseplants, tulips, bulbs, and flowering plants.

The horticulture project for the Class of 1981 was to move the biology greenhouse from between the 300 and 400 wings, rebuilding it at a different location. In place of the greenhouse, benches and picnic tables would be placed.

Other activities included several different members of the classes going to contests. They participated in local as well as state competition.

Drama

In November the Drama Club presented "Hill-Billy Wedding," which is about a city boy who finds himself nearly forced into marrying a hillybilly gal. The follow up play was "The Diligent Daughter," which was about two innocent sisters in search of their long lost father in the evil saloons of the 1920's.

At Christmas, many of the students went to a few of the local nursing homes as a gesture of remembrance to the old.

In the spring, Drama expressed their talents in two more plays. "Arsenic and Old Lace," and a short play entitled "The Saga of Sagebrush Sal." Towards the end of the year still another set of plays were presented. First was Agatha Christies, "Ten Little Indians," and a one act comedy mystery, "The Case of the Phantom Baseball."

Throughout the year many of the actors participated in a local talent show and an educational acting contest at the University of Portland.

Cheerleaders

Both Varsity Rally Squad member's were exciting and termendous to watch. The Gold squad consisted of Missy Dynes, Kelly Miller, Amy Quall, Suzie Falls, Andrea Ponciano, and Holly Wohgemuth. They were the product of hard wo-rk and long hours of practice and it showed. They were the most inspirational group of cheerleaders to come from Columbia River for a long time. A lot of students, parents, and faculty members commented on how precise and enthusiastic girls they've been. Thank you and we hope you juniors come back to lead us to victory again.

The Purple Rally squad had three seniors and three juniors. They cheered for football games and the girls' basketball team. They really showed endurance by cheering through the cold rain and sleet. The team consisted of Leslie Butterfield, Darcy Brandt, Eileen Diala, Maggie Metcalf, Denise Jabush and Teri Hochhalter. Good work Chieftains.

This year's mascots consisted of Denise Hayes Mike Timmins, and Tammy Crockford. They showed up at all of the games and really showed spirit. They came back from a lot of let down's such as illness and the Chieftian headdress stolen by Hudssn Bay. Sincerely, Thanks.

FALL SPORTS

Varsity Football

For the Columbia River Chieftans a tough schedule is not uncommon. But this year, the Chiefs were required to work harder than ever. Playing Richland, (who reached the finals) and Issaquah (3rd in state), was the toughest part of the season. Overall, the season records were 3 in league and 6 for the overall play.

The numbers are misleading in the fact that, there were many close games, that we just couldn't win. In league play the total points lost were 21. Because of the Chiefs tenacious defense, we held on to a lot of ball games. Proudly, the Chiefs shared the #1 spot in defense with Capital.

Mike Dallasta did an outstanding job by representing the Chiefs with 521 total yardage of ball carrying.

Junior Rob Russell was voted All-League Defensive Tackle. Doug Sessions, Joe Phillips, Paul Akers and Scott Christenson had the honor of holding the positions of team captains. Joe Phillips was also voted most inspirational.

Paul Akers and Robert Russel earned All-Honors this season.

Junior Varsity Football

This year the 1980-1981 Chieftain Junior Varsity Football Team started with an impressive win over the Falcons from Prairie High School. Unfortunately, they quickly dropped to 2-2 for the season. They went on to win the next four out of five games. As a result of their efforts, they achieved a 6-3 record for the season. In league play they tied for first place with a record of 4-2.

Although the whole team did a great job this year, they voted Doug Pruess as outstanding lineman and Dave Pyles as the outstanding back.

The Sophomore Football Team showed some great potential for the future. We will be looking for some big things from this group of young men in the future.

They learned to play together and accept the roles on the team and to give support to each other. As individuals each improved some way whether it be attitude wise or skill wise.

WINTER SPORTS

Varsity Hoop Guys

The 1980-81 Chieftain varsity team began the season with little varsity experience but a great deal of desire and enthusiasm. The Chieftians finished 2nd in the league with a 7-5 record. the team finished very strong, winning 7 of its last 9 games. This included a win over previously unbeaten Fort Vancouver, ending Fort's league game winning streak at 29.

The Chieftians was lead by 2 time All-League center Joe Phillips. In addition Greg Sparks were named to the first team All-League Team, and Ty Baker was selected as a second team All-League performer. In addition seniors Paul Akers, Keith Bleasdel, Mark Riggs, Bob Oja, Scott Watson and juniors Dave Ashcraft, Todd Swan and Rick Dall led the 1980-81 chieftians to an overall record of 12 wins and 10 losses.

Basketball

The J.V. and Sophomore basketball teams were high on endurance. They placed against very tough competition. The J.V. team was very strong in the guard positions. With Tim Wyche and Rick Dall swinging from J.V. to varsity.

They also had some power forwards, Bruce Barnum and Chip Ambler. One thing the J.V. didn't lack was intensity, they had to show the crowd that they could do the job before a normally varsity crowd.

The sophomores did a good job, considering their coach was out at the end of the year due to a severe back injury. Throughout the season they showed improvement both team wise and individually. Kenny Adams will prove to be an asset next year for the J.V. team. All in all, the sophomores came out ahead in spite of a few close losses. We hope they show up trying out next year.

In the Clark County meet they placed 2nd and 2nd in District as well. Their league record was 6-1-1 and they tied for the Championship. The season record ended with a great 9-3-1.

Gymnastics

Dedication and hard work was the name of the game for C.R.'s Gymnastics Team. Although their record wasn't the best, their efforts brought the goals of self-satisfaction and team spirit.

The team suffered handicaps unexpected to Coach Bjork. With only six girls participating it made it virtually impossible to win any team titles. One of their outstanding gymnast's was inflicted of a knee injury and was unable to participate in team competition. We all hope that next year's turn out will be more abundant.

Led by seniors: Kevin Hart, Jeff Voeller, and Todd Wyche, and juniors, Mark Foreman, Todd Swan and Jeff Wooding, and sophomores: Phil Stenseth and Brad Schadewitz. CR's golf team compiled a 7-1 league season and a 12-4 overall record. Phil Stenseth missed being medalist for the district tourney shooting a very fine score of 76.

Varsity Baseball

CR's baseball team had a building year in '81, with a new coach, Curt Daniels, and a young team. They played consistant against very tough competition. with a 6-6 win-loss record, they missed the play-offs by only one game. Coach Daniels did an exceptional job. He is from a Farm team in Walla Walla. Nearly every senior made the All Stars team, and two members made All League. Paul Akers and Chuck Singleton were co-captains for the year. Joe Micham was Most Improved, and Paul Akers was Most Inspirational.

Junior Varsity Baseball

Columbia River's Junior Varsity baseball team had a good year. Under the coaching of Dana Jessen, of Gaiser Junior High, the team took the league championship in 1981, with a win-loss record of 8-4. They were described as being a well balanced team, with a good attitude, who often came back when they were down. We hope to see a lot of them back next season on Varsity, showing the same unity they displayed this year on J.V.

ACTIVITIES

Homecoming

The Homecoming Dance was held at Columbia River in the cafeteria, October 18, at 8:00 p.m. The annual bonfire and football game were held the day before this Friday. The court and the queen were announced during half time of the River and Bay game.

The princesses were Amy Quall, Darcy Brandt, Kelly Miller, and Eileen Ojala. The Homecoming queen for 1981 was Leslie Butterfield. It was very easy for the princesses and queen to be at the game since they were all on the varsity cheerleading squad.

The dance held the next night was formal and all of the people there were dressed up and ready to dance. By the looks and actions of everybody, they had a superb time!

Sadie Hawkins

Sadie Hawkin's was one of this year's fun dances to go to. You could dress as casual as you wanted to. Most couple's dressed as cowboy's or they wore just jeans and matching T-shirts. The pictures were taken by Justin's in a familar barn setting.

March 21st at 8:00 p.m. in the Columbia River cafeteria, was the time and place to be. This is one of the favorite dances to go to because you can act yourself and it didn't cost a lot of money.

Jr.-Sr. Prom

The Junior-Senior prom was held at Gaiser Hall on May 9th, at 8:00 p.m. The theme for this gala was Moonlight dreams. There was a lot of romancin' and dancin'.

The junior-senior court consisted of the men: Joe Phillips, Greg Myers, Brad Thomas, Tom Collins, Doug Sessions and Ty Baker. The finalists for the women were: Kelly Miller, Brenda McChesney, Amy Quall, Christine Wiese, Hiedie Young and Eileen Ojala. The winners were Joe Phillips and Kelly Miller.

The junior class council sponsored this event. They had money left over from last year's council from car washes etc. . .

The evening was an exciting and I guess you can call a different one. . .

Mrs. McDermott the principal danced with John Visser and it was very exciting to watch, and amusing. The music that they all danced to was performed by the group Positive Waves. All in all, the seniors sure do have something to remember as their last high school dance.
